RE: *Jorgensen Forge 104e Response Documents Inadvertently Omitted*

Dear Mr. Maas:

I enclose the disc we discussed, containing the following fifteen documents you noticed had been omitted from the 2009 Jorgensen document production. It appears they slipped past me when I was assembling email attachments and excel spreadsheets at the time. Sorry to have missed them.

2a

Form R2 (2).pdf
Jorgensen Toxics TECHNICAL MEMORANDUM.pdf

2b

DRAFT Jorgensen 5k Press Foundation Memo 10-09-08.pdf
Tacchi Revised Foundation Plan.pdf

2e

10047 slab.pdf
E Schneider Scrap Sales Info.pdf
Scrap Purchases Report 6-24-09.pdf
Scrap Sales 2009.xls
Scrap sales tracking info.pdf
Unpaid releases 2-8-08.pdf

2g

Airgas - Lab Gases.pdf
Lab Bottled Gases and other Chemicals 07 thru 09.pdf

2i

2ndQ SWPPP Storm Vis Inspection Form.pdf
4thQ SWPPP Storm Vis Inspection Form.pdf
Draft Jorgensen SWPPP 2009-02-12.pdf

USEPA SF

1418031

You will notice that "Scrap Sales 2009.xls" is being produced in Excel spreadsheet form, since its second tabbed workbook contained too many columns to convert it into a legible PDF.
